

Andrés Duarte Rengifo

andres.duarterengifo.com
andres@duarterengifo.com

Technical and passionate about good design.

Experience

FPFX Technologies 2022-Now

Team Lead Developer

Lead transition from monolithic ASP.NET Core MVC application to ASP.NET Core API and typescript monorepo. New system can pair arbitrary frontends to core business and opens the gate for massive code reuse.

Education

University of California, Berkeley 2015-2020

Bachelor of Arts in Mathematics and Data Science¹

Operating Systems

Abstract Algebra

Mathematical Logic

Data, Inference, and Decisions

Incompleteness and Undecidability

Global Modernism

Rhode Island School of Design 2013

Summer Program in Industrial Design

Skills

Software: Typescript, React, SQL, C#, Python , \LaTeX
Languages: English and Spanish

Projects

train.duarterengifo.com Experimental train schedule interface.

Articles

[Affine Planes](#) Introduction to Affine planes.
